Calculation of FMV

When requesting the services of HCPs and HCOs Rosemont maintain a standard fair market value (FMV) methodology to ensure consistency. FMV compensation is driven by three factors; FMV rates, a robust tiering model and activity fees.

Contracts are compiled prior to any activity which clearly defines the arrangements and expected outputs of the engagements.

HCPs

Rosemont selects HCPs to engage with, in accordance with their relevant expertise and capability.

4 HCPs were engaged during 2023 and all fees are for work undertaken on our behalf including speaking engagements.

HCOs

Rosemont are happy to provide information regarding the activities that we have undertaken with the HCOs during 2022.

The engagements consist of sponsorship of exhibitions, conferences, and corporate sponsorships.
